Who owns the freehold?

Your Refurbishment Project

This section will ask you for information about your project, the work you are seeking to carry out, the cost of that work and the amount of time you expect that work to take.

Later in the form, we will ask you to provide photographs of your site from the inside and outside that clearly demonstrate the remedial works needed. If you have any plans, drawings or additional documentation from architects, structural engineers or other suppliers, we will also ask you to upload this to support your application.

We will also ask you if you already have had any quotations, and when you have received these. If your application reaches this point, as part of the assessment, we will discuss your process of appointing suppliers. If you already have an identified supplier, we will ask you about your procurement process to enable us to determine if this is compliant with the YIF’s procurement policy.

If the process has not been compliant, or we are unsure, we will offer support from the fund’s framework suppliers to determine whether the process has been compliant and / or to support you to deliver a compliant procurement process.
